INDEX FOR 1882.

STATE HISTORICAL SOC.
1888
OF WISCONSIN.

This index includes only articles with captions. It is hardly practicable to give an index of the innumerable topics editorially treated in the briefer notes. In the department of "Literature," however, all books are included which have more than a mere mention. The stories in "Young and Old" will be found with other contributions. Hereafter we shall page the paper continuously through the year, which will facilitate references in subsequent indices.
